## **Symposium on Psychosocial Aspects of Childhood Cancer**

**January 22<sup>nd</sup> 2019 kl 9-17**

Danish Cancer Society  
Strandboulevarden 49, 2100 København Ø  
Mødelokale 5.S.A.B.C

**Kræftens Bekæmpelse**

We have invited experts in the field and we hope that researchers, clinicians, representatives from health administration, but also people from the general public will join us to discuss psychosocial aspects of childhood cancer. The symposium will be in English.

### **Registration by January 16**

Registration fee is 150 kr. and covers lunch and snacks.

Please, visit [www.cancer.dk/webshop](http://www.cancer.dk/webshop) to register (150 kr.) and email Hanin Salem at [salem@cancer.dk](mailto:salem@cancer.dk) by January 16<sup>th</sup> to confirm registration.

If you are interested in presenting your work (preferably in English) in the oral rapid-fire presentations (4 minutes, 2 slides), please send an abstract (max. 200 words) to Hanin Salem [salem@cancer.dk](mailto:salem@cancer.dk) by January 16<sup>th</sup>.

Organized by

Pernille Bidstrup, Senior Researcher, Danish Cancer Society Research Center  
Christoffer Johansen, Professor, Oncology Clinic, University Hospital Rigshospitalet  
Kjeld Schmiegelow, Professor, Department of Pediatrics and Adolescent Medicine, University Hospital Rigshospitalet. Sponsored by the Danish Cancer Society.
